

SCAFFOLDING PLANKS FOR RAISED BEDS ARE NOW IN STOCK!

The trading hut has taken delivery this week of a substantial number of untreated ex-scaffolding planks across a wide range of sizes.

The lengths range from 3 feet to 13 feet. Pre-orders against our recent Trading Hut announcement have taken up all the 13 foot lengths – in fact demand outstripped supply. The 6 foot planks are also heavily subscribed against existing orders although we should have some spare, once these orders have been collected. For information, the planks are all 9” deep.

The price per foot is now only 25 pence.

If you have already placed your order with me or wish to purchase any of our unallocated stock, please come to the trading hut during the usual opening hours (Saturday/Sunday 10 am – 12 noon) or telephone me on 07771 845825 to arrange an alternative time.
