

## THE MOORSIDE TRADING HUT – NEW STOCK NOW IN

Still working through the Trading Hut Questionnaire list of ‘wants’, we have taken delivery of new stock this week which includes:

2.5kg cartons of compost maker. £2.50.

33 litre Humax Tomato Growbags – regular and organic options. Top Quality. £1.60.

60 litre bags of Q4 compost. £3.10

We are still waiting for our Humax order to be delivered but we know Q4 is an acceptable alternative.

Perlite. 25 pence for 2 litres.

Liquid Tomato Feed. £2 per litre.

Rooting Powder.£1.

Wasp Nest Killer (£2) and Wasp Nest destroyer (£2.50).

1 kg cartons of Miracle Gro Plant Fod £3.80.

1 litre bottles of Organic Liquid Seaweed Plant Food. £3.30.

6” Plant Labels. 10 for 35 pence.

In addition, just a reminder of supplies recently obtained and still available:

**Well rotted Manure** at 50 pence a barrow.

**Semi-Rotted Manure** at 50 pence a barrow – for those of you who want to put it by for a couple of months.

**Sharp Sand** – completely suitable for allotments – at £1 for 24 kg – a bucketful. We have measured a specific bucket load, which is a manageable quantity to carry. We provide the bucket! We recommend you transfer your load to your own barrow at the point of collection from the Allotment Manure Area. The key is in the Trading Hut.

**Scaffolding Planks** – now that everyone has taken their pre-ordered planks, we have some surplus stock for those of you who want them for raised beds or bordering paths. Price 25 pence per foot.

6” plant labels

**JUST A REMINDER THAT WE STILL HAVE SEED POTATOES AT A VERY COMPETITIVE PRICE.** Visit the Trading Hut where we have an illustrated description of each variety available pinned on the Hut Notice Board.

**Please call at the Trading Hut between 10 am and 12 noon, Saturday and Sunday to buy any of the above products.**
